

Ozone Solutions

for the **WINE, BEER, & CIDER INDUSTRY**

ClearWater Tech is the leading provider of ozone disinfection equipment for the Craft Beverage Industry. Take the risk out of by-product contamination by using the planet's strongest, and safest oxidizer to assure microbe free surfaces. Wash down walls, floors, equipment, rinse barrels, and more.

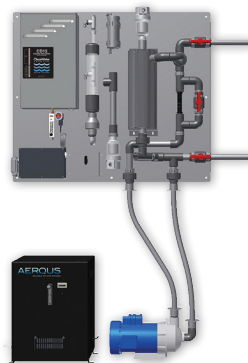

Choose from our unique family of wall-mounted or mobile ozone systems for superior disinfection throughout your entire facility.
