Microzone Series Corona Discharge Ozone Systems

ClearWater Tech Microzone Series uses corona discharge (CD) technology to provide superior ozone performance in a compact size. The plug-and-play product line delivers tremendous value with minimal complexity and cost.

Requiring no air preparation, the Microzone Series are wall-mounted and easy to maintain and install. They are designed to operate in a wide range of environments.

FEATURES

- Compact
- Main power indicator
- No air preparation required
- Low power consumption

BENEFITS

- Complete sanitation on contact
- Eliminates odors
- Reduced chemicals
- Reduced energy costs
- Reduced wastewater pollutants
- Small footprint
- Produced on site; no measuring, monitoring, or handling of chemicals

APPLICATIONS

- Residential Spas
- Ornamental Water Features
- Small Aquariums
- Fresh Water Holding Tanks
- Machine Coolant
- Well Water Treatment

EarthSafe
